

**■ BODY****Low Vibration and Low Noise Body**

The construction of the asphalt sheet has been optimized and its application areas have been expanded to reduce engine and road noise.

**'01 GS430/300****'00 GS400/300**

## ■ CRS ANCHOR BRACKET

A CRS anchor bracket and CRS lower anchorage have been provided to comply with the FMVSS 225 (regulation concerning anchoring devices designed exclusively for securing a child seat).

## ■ INTERNAL TRUNK RELEASE HANDLE

An internal trunk release handle is included inside the trunk in case a person inadvertently locks himself within the trunk and needs to free himself. The handle is made of phosphorescent so that it is visible in the trunk for a while even after the trunk has been closed.
