

SRS AIRBAG

B00VV-08

PRECAUTION

The LEXUS SC 400/300 is equipped with an SRS (Supplemental Restraint System), which comprises a driver airbag, front passenger airbag. Failure to carry out service operation in the correct sequence could cause the SRS to unexpectedly deploy during servicing, possibly leading to a serious accident. Before performing servicing (including removal or installation of parts, inspection or replacement), be sure to read the precautionary notices in the RS section.
